ETON X

Creative Problem Solving
Why is it so important?

92% of executives say that soft skills are equally important or more important than technical skills.
(LinkedIn Workplace Learning Report, 2018)

Course Information

✔ 100% online
✔ Delivered in English
✔ Suitable for ages 14-20
✔ EtonX certificate

Our Creative Problem Solving course will help you to come up with many innovative ideas, to craft those ideas and apply them in your own life. You will also develop your skills in creative expression, both verbally and visually and learn how to see problems from different perspectives. The Creative Problem Solving course will equip you with a creative process that you can apply in academic and work contexts or when pursuing your own personal creative projects.
